COUNCIL COMMUNICATION

AGENDA TITLE: Set Public Hearing for February 7, 2001 to hold necessary hearing to assist Lustre-Cal Nameplate Corporation in securing tax-exempt financing

MEETING DATE: January 17, 2001

SUBMITTED BY: Economic Development Coordinator

RECOMMENDED ACTION: That the City Council by minute action establish February 7, 2001 as the date to conduct a public hearing to approve a resolution authorizing issuance of \$3.735 million in tax-exempt Industrial Revenue Bond (IRB) financing.

BACKGROUND INFORMATION: As part of the City's economic development business attraction and expansion efforts, it is often necessary to assist business in securing project financing. Lustre-Cal Nameplate Corporation, a local manufacturer of custom identification products since 1964, has purchased a 4.25 acre parcel in the Beckman Industrial Park for the purpose of constructing a new 46,800+/- square foot manufacturing facility.

Lustre-Cal is seeking approximately \$3.735 million dollars in tax-exempt bonds to finance the construction of the new building and is requesting the City of Lodi's assistance in securing the bonds by acting as a conduit for their issuance. This public hearing is required pursuant to the Federal Tax Equity Fiscal Responsibility Act ("TEFRA"), which governs issuance of such bonds and is the initial step in the application process.

The City is not the bond issuer nor is it financially or legally responsible for bond repayment. Thus, there is no impact on the City's debt capacity or bond rating. The bonds are payable solely from company generated revenues and bond repayment security is provided by the bond applicant, Lustre-Cal Nameplate Corporation.

FUNDING: None required (There is no City budget impact)

Respectfully submitted,
